THE HIEROGLYPH WALL GAME - PAGE 14

These are the counters for use with The Hieroglyph Wall game. Cut them out and use a die of your own to play the game.

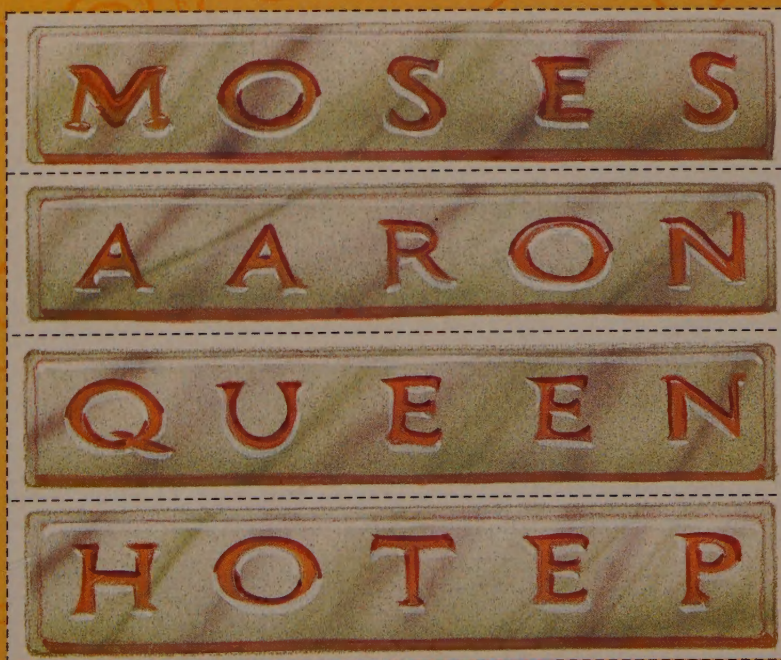

PALACE ADVENTURE GAME - CENTRE PULLOUT

How to play

- For 2-4 players.
- You will need a die to play. Cut out and choose which counter you want to play with.
- Cut out the hieroglyphics along the dotted lines.
- Place them upside down on a surface.
- Cut out the name plates and choose which name you would like to find the hieroglyphics for.
- Place the hieroglyphics randomly (still upside down) on the spaces provided on the palace scene.
- Throw the die to determine who starts. Highest score plays first.
- The aim is to enter the rooms in order to collect the correct hieroglyph to complete your name plate and then be the first to leave the palace.
- If you need to look at more than one hieroglyph in a room, you must wait until it's your turn again.
- If you look at a hieroglyph and it's not the one you need, put it back upside down on the board for another player to collect. (Don't show the other players the hieroglyph you pick up unless you add it to your name plate!)

THE PRINCE OF EGYPT

The world of ancient Egypt comes to life as you solve the riddles of the hieroglyphs, learn the names of the Egyptian gods, and find out about the creatures of the Red Sea. Make your way around the mazes and follow Moses in his struggle to free his people from slavery.

WHEN YOU WANT TO MAKE UP YOUR BOARD GAME, ASK AN ADULT TO REMOVE THE CENTRE PAGES CAREFULLY, SO THAT THE REST OF THE BOOK REMAINS INTACT. AND IF YOU ARE USING SCISSORS OR GLUE, ALWAYS REMEMBER TO ASK AN ADULT TO HELP.
